

Transforming ageing enterprise operations to a modern workplace

M365 MIGRATION MODERNIZE THE WAY YOU WORK

CHALLENGE

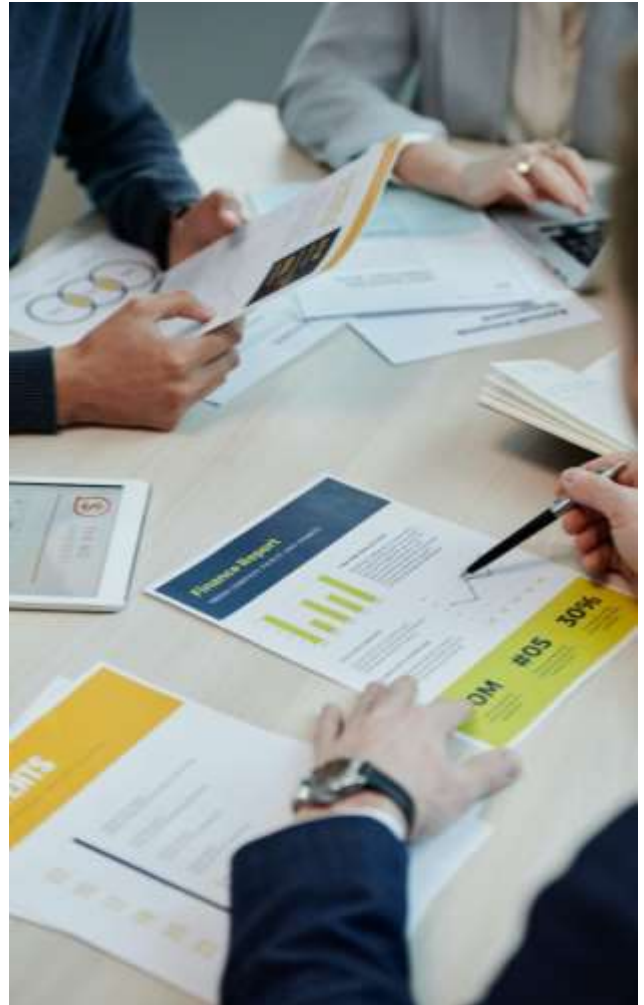

A client in the public sector wanted **modern digital workflows to replace paper-based systems** and an out-of-date intranet system for the Council and its employees

SOLUTION PROVIDED

- **Current intranet was moved to a new modern environment in Microsoft Office 365, dubbed DORIS** (Digital Office Records and Information System).
- The rapid rollout of **Microsoft Teams, coupled with change management**, was the second core solution, ensuring a smooth transition, cooperation, and training for all employees.
- The final part of Kryptos' solution was to use **Microsoft's Power Platform** to empower the client's business analysts to solve problems and communicate critical information to residents in a visually appealing manner

BENEFITS

Significant increase in **productivity and efficiency**, in tracking, managing activities, data and important processes such as resource consents. **Significant decrease in organizational risks and delays.**
