

# Exercising the power of cloud for digital transformation

## CHALLENGE

- Pandemic shutdowns compelled our leading in-person fitness education and certification client to accelerate their digital transformation.
- Limitations of legacy systems and the need for a connected and secure cloud-based approach was the challenge.

## SOLUTION PROVIDED

- We replaced their outdated systems with Dynamics 365 and enabling their jump to virtual training.
- Kryptos upgraded their legacy systems to better integrate with other solutions they use, including M365, Power BI and Azure which really resonated.

## BENEFITS

- Our client achieved rapid data-driven growth through immediate virtualization of its products and services, improving its time to market by a dramatic 30%.
- The client was able to achieve immediate delivery of products and services with a 50% improvement in time to market.
- It improved their resilience to disruption and facilitated the transition to virtual education ensuring the continuity of their business.
